Message to Families: Thank you for considering A Plus for your child care needs. We offer a loving, supportive environment for the children in our care. Our program mission is to promote the social, emotional, physical, and cognitive development of all children. Our teachers are experienced and educated in early childhood education and development and work closely with families to best support the needs of individual children. We would love to have you visit and see for yourself why our child care center is perfect for you and your child. When available, we can offer 2- and 3-day per week options in our pre-school rooms.
