CDA SCHOLARSHIP PROJECT

STEP 5: SCHEDULE & COMPLETE YOUR CDA OBSERVATION & EXAM

You can do this! Keep up the GREAT work!

- You will need to officially schedule the date for your observation visit and your CDA exam **AFTER** you successfully checkout of your CDA Initial Application.
 - Your CDA Scholarship Project Counselor will send you documents on:
 - How to schedule your observation Visit and
 - How to schedule your CDA exam
- You **MUST** pay for the application fee using the Voucher **BEFORE** you will be allowed to officially schedule the observation visit or the CDA exam.
- The Professional Development Specialist will go over your Portfolio with you at the time of the observation visit.
 - At this time, your portfolio can not be more than 6 months old.

Be Proactive! Send the dates of your scheduled test and observation visit to your CDA Scholarship Counselor. When you receive your official CDA in the mail, from the Council, upload a copy of your official CDA Credential into your CDA Scholarship account and notify your CDA Scholarship Counselor.
